GPA ACCREDITATION *plus*
MEDICAL PRACTITIONER LIST

This sheet records the names of doctors working in the practice during the time of the survey. Practices should complete this sheet for all doctors working in the practice during the time of the survey and record the corresponding ***ID only*** on the survey form handed to the patient. The patient may provide the name of the doctor on the survey. This list should match the practitioner list provided to GPA. The analysis report provided by GPA (if requested) will contain the doctors ID only.
